Dear Net 2005 Committee Members,

It is with great pleasure that I write this letter of recommendation for Lisa Panasuk of Feeding His Lambs Ministries. Over the past years, I have had the fortunate opportunity to get to know her as a participant with ASI Convention in 2004 in her involvement with ASI Youth program. With her involvement she had taught 29 segments to children ages 3-12 during the convention. She has adopted good habits over the years and has built quality characteristics. I find her to be a conscientious, bright, kind, professional, caring and hard-working with the youth.

Someone with such a healthy attitude is refreshing to have around and a delight to have with ASI. Along with her friendly and outgoing personality, Lisa has a real passion for children. She is a very intelligent and ambitious individual who appears to be well liked by others. Always seeking to excel at whatever she does, Lisa demonstrates a high degree of maturity and responsibility. I believe that she deserves serious consideration as a candidate for Net 2005. There is no doubt in my mind that Lisa will prove to be an outstanding individual for Net 2005 and I wish her all the best.

Sincerely,

Denzil McNeilus
