Dear Committee Members,

I am pleased to write this letter of reference for Lisa Panasuk. Lisa was employed as a substitute para-professional at the Inchelium School District from December, 2002 to October 2003. During that time she would assist teachers with all aspects of classroom management and our education processes for students ranging from grade kindergarten to high school.

I found Lisa to be a dependable, professional and capable substitute to call on. We called her to substitute for our permanent staff approximately 30 times during here year+ at our school.

Lisa brought with her a great deal of experience in working with children through her church activities. It was obvious that she was skilled in that area. She was very patient and attentive, as well as helpful, to our students.

I highly recommend Lisa for work within your organization. I believe she is well-suited based on her qualifications and life experiences.

Sincerely,

A handwritten signature in black ink, appearing to read "Duane Gatlin". The signature is written in a cursive style with a large initial "D".
