RE Lisa Panasuk / Feeding His Lambs Ministry

Dear Committee:

Our church utilized the services of Lisa Panasuk during a series of evangelistic meetings conducted in January / February 2005. We found Lisa's ministry to be not only helpful during the meetings as an effective Children's Evangelism Program, but appreciated her contribution in equipping a team of our members for more effective work in all of our Children's ministries.

Lisa's program was well organized and well coordinated with the Evangelist's topics. Her leadership gave strong direction and provided for good security.

I would not hesitate to recommend her for any evangelistic outreach event where an excellent Children's Evangelism program is desired.

Sincerely,
