Dear Net O5 Committee,

As the youth program coordinator for the ASI national convention for the past 10 years, I have had the privilege of working with many different people in children's ministry. As an organization, ASI has very high expectations for who we bring in to minister to the young people. In 2004, we invited Lisa Panasuk of *Feeding His Lambs Ministries* to do special features for the Tiny Tots, Kindergarten, Primary, & Junior departments. She did 29 excellent presentations in 3 days. Her presentations were not only spiritually enriching for the children, but also highly captivating. Because of her outstanding performance summer, the ASI program committee has asked her to be the leader for the 3 and 4 year olds for the 2005 ASI national convention. In all the preplanning to date, Lisa has excelled in thoroughness and detail. Lisa is very gifted at managing children. She is also unusually dedicated and feels a deep sense of the importance of not just entertaining children but leading them to Christ.

Lisa's strengths are her gentle mannerism with children, her creativity, her organizational skills, and her ability to manage large and small groups of children.

I would give Lisa the highest recommendation as a children's leader for the Net O5 children's meetings.

Thank you for your consideration.

In Christ,
