Dear NET05 Committee:

I am pleased to write a letter of recommendation for Lisa Panasuk and her *Feeding His Lambs* child evangelism ministry.

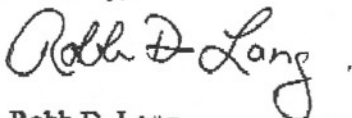

As the speaker for *Revelation of Hope* and a resident evangelist for the Iowa-Missouri Conference, I have recently been privileged to have Lisa conduct her child evangelism seminar in conjunction with my evangelistic meetings.

We heard nothing but very positive comments from the children who attended Lisa's meetings and the same was true of their parents. My two daughters attended Lisa's program and my wife personally attending the meetings as well. Our family was quite impressed with Lisa's approach to winning the souls of children with the truth of the Bible and the clear presentation of the Three Angels' Messages at a level that children can understand. Her class format holds the interest of children of all ages, and we noticed our own children trying to duplicate her methods in our home after attending the daily meetings. This program definitely raised the spiritual experience of our family and has given my wife a new excitement for children's ministry. We hope to work with Lisa again and to share her program with the churches in our field. We will certainly recommend it wherever we go.

We are well aware that security is an important factor in children's ministries today. Lisa's program has several built-in security measures and is well organized to ensure the safety and well-being of the children who participate. We feel that the parents of children will feel very comfortable with the environment and with Lisa's ability to manage the children in her care. She is very conscientious and attentive to the needs of the children at all times.

I believe that *Feeding His Lambs* will be a tremendous contribution to the NET05 meetings and will result in young souls won for Christ and His Kingdom. May Lisa's tribe increase, is my personal prayer!

Sincerely,

Robb D. Long
